Winter Weather Watch

In case of hazardous weather conditions, please note the following:

1. If BOYERTOWN School District is CLOSED, our preschool classes are CLOSED. *In most cases, child care will remain OPEN, but may begin late.*
2. If BOYERTOWN School District is 2 hours late, our preschool will be OPEN regular time—9:00am. It is at the discretion of the family if & when they want to drive their child to school. All sessions end normal time.
3. Call our main school number at 215-679-6613 and listen for school decision on our voice mail beginning at 6:00am, or check our website.
4. If a storm begins during the school day
Child Care Families: PLEASE allow ample drive time to arrive before 5:30pm so our staff can go home safely.

Keeping Healthy

With the colder weather children come to school with colds & sniffles. Please help us teach your children how to properly blow their nose. We urge you to also instruct them to cough or sneeze into their sleeve (lower arm), NOT their hand. This is the best way not to spread germs, & wash hands often.

In order to protect staff & other children from illness, a child who has been sick with fever or contagious illness, must remain symptom free for 24 hours before returning.

Class Photos

Order class photos from the office. Send in a note requesting the size.
