New Beginnings

Dear Families,

Welcome to our 2011-2012 school year. RHCS has gone through many changes this year. We are so excited to have moved our main campus to a new building at 208 E. 5th Street in Red Hill. We are also thrilled to have our 1/2 day preschool program here at our Cedar Grove Campus. We have over 190+ children between our three campuses!

I look forward to getting to know you and your family more and I hope to see you at some of our family events this school year.
